Aw: Your question
May 1, 2014 11:38 AM

Dear Emilio,

I was waiting for a quiet minute to answer your last mail, you were quicker than! These days I'm working together with some friends, who kindly support me in the final phase of my project.

This phrase sounds quite good this way. I like the word 'maybe', so maybe this has also some place in this question?

"Maybe today in the neighbourhood, someone will give back to you a nice smile?"

zB: in German: "Vielleicht erhalten Sie heute in der Nachbarschaft ein nettes Lächeln zurück?" or "Vielleicht bekommst Du heute in der Nachbarschaft ein nettes Lächeln zurück?"

About me, 'Greta Gregor' in that case, just few words:

Greta Gregor, artist and participant at SOHO in Ottakring 2012, loves to work in her atelier in Sandeilen.

Best Greta
